Tête-à-

THE LITERAC

The Literacy Project for Educators, organized in association with Sunbeam School, Ballia, brought together leaders, and participants from various schools for a meaningful collaboration.

The event featured enriching sessions by the gracious presence of Mrs. Amrita Buri Educational Institutions. Through engaging practices, participants gained valuable insights, methodologies, and future-ready classroom strategies. Such initiatives strengthen the collective vision of empowering educators with knowledge that transforms classrooms. When educators learn together, every class

FACTS ABOUT JULY

1. 🌍 Earth is farthest from the sun (aphelion) around July 4), yet the Northern Hemisphere experiences summer season because of Earth's tilt.
2. 🌕 The July full moon is called the Buck Moon because male deer begin growing new antlers.
3. 🚀 Humans first walked on the moon in 1969, Neil Armstrong became the first person to step on the lunar surface.
4. 💎 The birthstone of July is the Ruby, known as the "King of Gems" and associated with love and prosperity.
5. 🏛️ July is named after Julius Caesar.

The background of the poster is a collage of various elements. At the top, there is a piece of white paper with the words 'Creative Team' written in a black, cursive font. Below this, there is a piece of light blue paper with a torn edge. To the right, a portion of a yellow calendar is visible, showing dates and some text. The bottom half of the poster features a piece of lined paper with the word 'Advisors' in a bold, black, sans-serif font. Below 'Advisors', the names of two advisors are listed: '1. Ms. Vishakha' and '2. Ms. Pooja'. The left side of the poster is decorated with a dark, textured material, possibly a piece of fabric or paper, which has several small, round, colorful buttons (green, orange, and yellow) pinned to it.
